Speaker

Carsten Baumann

Director, Strategic Initiatives &
Solutions Architect, Schneider Electric

The 7x24 Exchange Rocky Mountain Chapter is hosting Carsten Baumann from Schneider Electric on Thursday, March 9, to educate our members on Microgrids. Carsten offers nearly three decades of experience in the data center, broadcast, telecommunications, AV, and IT industry. His papers have been published in peer-reviewed journals and he frequently speaks on national and international venues.

Come hear the latest on microgrid topics such as:

- Energy Cost Prediction
- Resiliency
- Sustainability Improvements
- Capacity Constrains
