Join us on March 26th from 4:00–7:00 PM at Mile High Station for an exclusive event featuring John May, Director of Business Development at Total Hydrogen Solutions & Power Temp. This session will explore the growing role of hydrogen in power projects and provide critical updates on NEC 70 and OSHA code changes that impact the industry.

Whether you're looking to expand your knowledge, stay ahead of regulatory shifts, or network with industry professionals, this event is a must-attend. Admission is free for members and students, \$75 for non-members who pre-register, and \$100 at the door. Don't miss this opportunity to gain valuable insights—secure your spot today!

Full agenda to come!
