2025 Summer Educational Program Data Center Legislation

Thursday, July 17, 2025 - from 3:00-5:30 PM

Join us for an insightful presentation that explores the evolving landscape of data center legislation. This session will provide a comprehensive overview of current laws, regulatory trends, and compliance requirements impacting data center operations. Whether you're involved in IT, legal, facilities management, or policy development, this presentation offers valuable knowledge to help you stay informed and prepared. Don't miss this opportunity to gain a clearer understanding of how legislation is shaping the future of data centers.

Speaker

Dan Diorio, Vice President, State Policy
at Data Center Coalition
