7x24 EXCHANGE ROCKY MOUNTAIN CHAPTER
2022
$3,000 SCHOLARSHIP – Terms & Conditions

Vision

The 7x24 Exchange Rocky Mountain Chapter will serve as an independent forum for ideas, opinions, and information on end-to-end reliability issues for Mission Critical organizations in the Colorado Rocky Mountain region.

Mission

The 7x24 Exchange Rocky Mountain Chapter is an educational forum bringing together organizations to promote a better understanding of design, execution, and management issues involved in achieving reliability within all facets of mission critical systems and operations.

When we mention "mission critical systems and operations", we center this around data centers, security and network operations centers, hospitals, colocation facilities and military operations centers. This is the primary focus of the 7x24 Exchange Rocky Mountain Chapter. These locations are generally a dedicated building, or a dedicated space within a building, used to house computer systems and associated components, such as telecommunications, networks and data storage systems. Since IT operations are crucial for business continuity it generally includes redundant or backup components and infrastructure for power, data communication connections, environmental controls (e.g. air conditioning, fire suppression) and various security systems.

Application Deadline: All Applications must be received No Later Than: Friday, 29 April 2022
Award Notification: No Later Than: Monday, 9 May 2022
Scholarship Payment will be provided for the Fall Semester 2022 or Spring Semester 2023
